However there are certain states (non-conforming states) that do not allow the federal bonus depreciation adjustment. If you reside in one of the non-conforming states, when preparing your resident state income tax return you must adjust the amount reported on Box 1 of your Schedule K-1 by the bonus depreciation adjustment provided in the Schedule K-1 Supplemental Information Box 20. 2012 OWNERSHIP SCHEDULE

ENBRIDGE ENERGY PARTNERS, L.P.

PARTNER NAME: **TIMOTHY B CARSON IRA**
 ACCOUNT NUMBER: [REDACTED]
 PARTNER FEDERAL ID/ENTITY: [REDACTED] / IRA/SEP/KEOGH
 CUSTODIAN FEDERAL ID: [REDACTED]
 PARTNERSHIP FEDERAL ID: [REDACTED]

This schedule contains a summary of your unit ownership history from your original acquisition of Partnership units to December 31, 2012. This information came directly from the transfer agent's records if you are a registered holder.

Ownership information for street name owners (who held units in a brokerage nominee account) was provided from your broker's or nominee's records, if the broker or nominee provided the information in accordance with Internal Revenue Code Section 6031(c). IRS regulations concerning partnerships require brokers and nominees to inform the partnership directly of your unit activity so that the partnership may automatically furnish you with tax information.

If you held multiple lots of Partnership units, the ownership information has been accumulated for each lot having a common federal tax identification number and entity type, except for lots attributable to an individual retirement account (IRA), Keogh or similar type of account, which are reported in a separate package. For IRA, Keogh, or Pension accounts, the federal tax identification number of the custodian is shown. You will receive a separate individualized Income Tax Reporting Package for each lot with a different tax identification number. Dispositions of Partnership units have been treated as if they relate to the lots with the earliest acquisition date.

If your records do not agree with the information reported on this Ownership Schedule, then the amounts reported on the following schedules may not be correct. To correct this, you can make changes on our website at www.taxpackagesupport.com/enbridge. You can also make the necessary corrections directly onto this schedule, including any necessary explanations, sign where indicated and mail before May 31, 2013 to:

Investor Relations
 Enbridge Energy Partners, L.P.
 PO Box 799060
 Dallas, TX 75379

or you may contact our K-1 Call Center (provided by a third party on behalf of the Partnership) by phone at (800) 525-3999, by fax at (866) 554-3842.

The partnership will be filing a Schedule K-1 with the IRS based upon amounts reported in this Individual Income Tax Reporting Package. If you have notified the Partnership of any necessary corrections prior to May 31, 2013, the corrected information will be filed with the IRS. Any corrections made after this date may require you to file Form 8082-Notice of Inconsistent Treatment or Administrative Adjustment Request (AAR) with your return.

You may find it necessary to extend your filing date for your personal tax return by filing Form 4868 - Application for Automatic Extension of Time to File U.S. Individual Income Tax Return by April 15, 2013.

If the Ownership Schedule is the only schedule containing information (i.e. Schedule K-1 is blank), then your ownership history received from the transfer agent, brokerage firm or nominee, is inaccurate or incomplete. Please contact the Partnership for instructions on how to proceed.

Transaction Description - This is the type of transaction for the group of units involved. The "Description" column provides explanations for the abbreviations used in this column.

Transaction Date - This is the date on which the transaction occurred as reported to the Partnership by either the transfer agent (if you are a registered owner) or by your broker or nominee (if your units are in street name).

Broker Code or Certificate Number - This column will indicate a broker I.D. if the transaction was reported to the Partnership from a broker or nominee. This column will also report a certificate number for transactions registered with the Partnership's registrar.

Units - This is the number of Partnership units associated with each certificate or transaction less any sales applied to that transaction.

Investor Tax Information (Schedule K-1) may be accessed through our website at www.taxpackagesupport.com/enbridge.
