Subpoena: In re LaTeesha Lanee' (Dunlap) Blackburn

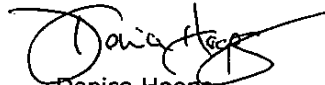

Mr. Mulvey:

As required by the above-referenced subpoena, attached is a copy of the policy documentation for Allstate structured settlement contract #90300496, Allstate Settlement Corporation ("ASC"), owner and LaTeesha Lanee' Blackburn, annuitant.

As indicated in the Settlement Agreement & Release and structured settlement contract #90300496 (tabbed), Ms. Blackburn was the payee of annual payments of \$4,314.00 starting on February 28, 2012 for 10 years. No trust is associated with the structured settlement contract.

In 2017 the annual payments were accelerated via an Advanced Funding Exchange whereby ASC entered in an assignment agreement with Ms. Blackburn to purchase a portion of the annual payments. ASC purchased those payments beginning February 28, 2018 through February 28, 2021 (final payment). Of the \$4,314.00 annual payment, ASC receives \$3,043.98 and Ms. Blackburn receives the balance of \$1,270.02. Documentation regarding the transaction is included in the attached policy documentation.

Sincerely,
